

Commencement Exercises Scheduled for 517 El Camino College Graduates June 15

Commencement ceremonies for 517 graduates of El Camino College will be held Friday, June 15, at 4 p.m. in Forrest G. Murdock Stadium, the office of student personnel announced this week.

Traditional activities for the week will include baccalaureate services on Sunday, from 7:30 to 8:30 p.m. in the Campus Theater and the graduation luncheon at 1 p.m. in the Campus Center on Commencement Day.

Rabbi Henri E. Front of Temple Menorah, will be speaker for baccalaureate services. He will also deliver the invocation at commencement.

The choir and brass ensemble, under the direction of Crist Mikkelsen, will present a program of sacred music for the service.

A procession of graduates in cap and gown will open the commencement exercise. Members of the band, under the direction of Calvin Greer, will provide music.

The commencement address will be delivered by Dr. Carl W. McIntosh, president of Long Beach State College. His topic will be "The Age of Discorvery."

Foursquare Church Plans Dedication Of New Home

Dedication of the new Harbor City Foursquare Church, pastored by Rev. Mation Plies, will be held during the week of June 8 through June 17.

Harbor City Foursquare Church began when a group of students from L.I.F.E. Bible College held a tent meeting over 30 years ago. From the tent they moved to a rented store building which they eventually bought and remodeled into a church. Rev. Mation Plies came to Harbor City in 1941. Under her ministry, the church founded Harbor City Christian Day School, which now has an enrollment of 475, with classes ranging from pre-kindergarten through high school.

In 1959 ground breaking ceremonies were held for the new church. Members donated their finances, time and labor over three years and are now realizing their dream. The new edifice, valued at \$200,000, was designed by Joseph Colombo, architect, and is located at 835 West 255th St. It covers over 15,000 square feet, accommodating more than 350 persons with an overflow of an additional 150 seats.

There are 30 classrooms, nursery, kitchen facilities, multi-purpose room, prayer room, offices and a large crusader chapel with a fireplace.

Situated on the hill, the church is visible from all the surrounding area, including the freeway.

ROUNDTRIP
Tom Burgess of the Los Angeles Angels made his first major league home run one that he'll remember a long, long time. It was a pinch-hit roundtripper on Sunday, May 13 at Chavez Ravine. The blow, off the White Sox' Johnny Buzhardt, came in the seventh inning with two men on.

"PORPOISE ROOM" PERFORMERS — International stars of song and rhythm, The Ink Spots, are currently playing a return engagement at Marineland Restaurant on the Palos Verdes peninsula. The close-harmony group, led by Charlie Owens, entertain the cocktail-dinner crowd in the "Porpoise Room."

Students Given Annual Award

Harbor College students Mary Waldner and Bruce Foat were honored at the first annual Junior College Man and Woman of the Year Awards luncheon, May 31, along with delegates from the six other junior colleges.

Miss Waldner and Bruce Foat received the Harbor College Man and Woman of the Year Awards at a special assembly held in Harbor's student center May 29.

Luncheon, at the Colonial Room of the Ambassador Hotel, was held to honor the men and women who had been selected by their respective colleges for this honor on the basis of scholarship, co-curricular activities, community service, faculty endorsements, and written statements of approximately two hundred words on the aims and objectives of the candidates.

Walter Coultas, assistant superintendent of schools, presented awards to Mrs. Maryamber Hopperstad of Los Angeles Pierce College, and John S. Bettinger of Los Angeles City College, who were chosen by a panel of judges as the top Junior College Man and Woman of the Year from the seven junior colleges.

Representing Harbor College at the luncheon were Mr. John Sonneborn, Pacific Telephone, San Pedro, Mr. Kyle Piercy, Chamber of Commerce, Wilmington;

County Accepts Palos Verdes Storm Drain

Supervisor Burton W. Chace has announced acceptance by the Board of Supervisors of construction work on the \$313,656.10 first unit of the Palos Verdes Estates Storm Drain.

In a letter recommending the action, County Flood Control District Chief Engineer M. E. Salsbury told the Supervisors that Charles L. Burch & Sons, Inc. of El Monte completed the drain on May 4.

Two drainage lines were constructed under the contract, Chace noted.

One runs from the intersection of Via Romero and Via Zumaya south in Via Romero and Via Carrillo to Paseo Lunado Canyon and west in right of way through the Canyon to an existing earth channel west of via Anacapa.

The second line begins in Palos Verdes Drive West some 200 feet south of Montemalaga Drive and extends west in right of way through Coronel Canyon to an existing channel west of Paseo del Mar.

Plans for the work were approved by the Supervisors June 13, 1961, and a contract was awarded the Burch firm August 1 of the same year, Chace said.

The project was designed under the direction of Palos Verdes Estates City Engineer Henry Ferling. Flood Control District personnel supervised construction and will operate and maintain the facility.

Monies to finance construction were included in the \$225-million bond issue which was approved by County voters in 1958, Supervisor Chace added.
